<u>Rescore of Examination Policy</u>

Candidates have the right to request a rescore and audit process of their examination scores. Requests for the rescoring and audit must be submitted to the Board in writing via formal letter or email within one month of the Board's release of the exam results. The fee for rescoring and audit is $200. The Board will commence the rescoring and audit process following receipt of the candidate's request and payment. This process is limited to rescoring and audit of the candidate's exam. Candidates are not allowed to review specific items on the examination. The Board will not reevaluate or reset the "cut" score for passing the exam. The electronic examination data of candidates will be destroyed 24 months after administration of the examination.
