

AMERICAN OSTEOPATHIC BOARD OF FAMILY PHYSICIANS

OCC Component 4 Attestation Form for Non-Clinical or Academic Physicians

AOBFP-certified diplomates whose practice setting is primarily non-clinical or academic in nature may submit this form and complete one (1) Practice Performance Assessment activity for OCC Component 4. Online resources are available on the website. Diplomates may use this form no more than once per calendar year and no more than twice per OCC cycle. Diplomates who are involved in any clinical practice should complete the traditional PPA activities and/or QI activity attestations for OCC Component 4.

Demographics (to be completed by the diplomate):

Name: _____ AOA ID: _____

Email: _____

Primary Practice Type: Academic Non-Clinical

Employer: _____

Immediate Supervisor/Dean/Department Chair

Name and Title: _____

Contact Information (Email or Phone): _____

I authorize the person listed above to release information regarding my employment status to the American Osteopathic Board of Family Physicians for the purposes of establishing my practice status as primarily non-clinical and/or academic in nature.

Signature: _____ Date: _____

Practice Status (to be completed by the diplomate's immediate supervisor, dean, or department chair):

I affirm that the physician named above is employed by the organization listed, and that their employment is 100% spent in an academic or non-clinical setting. This may include but is not limited to teaching, research, administration, or non-clinical consulting.

Signature: _____ Date: _____

(Once this form is completed, please email it to aobfp@osteopathic.org.)
